

# BE A CHANGEMAKER

**HBS**

Club of New York  
Centennial | 1920-2020

The HBS Club of NY is a unique and powerful platform for HBS alumni to make a meaningful difference. Support the club to drive positive change and give back to the city and School.

The largest HBS alumni Club in the world, the HBS Club of NY reaches over 10,000 alumni residing in the greater New York City area. From cabinet members to business titans, vocal activists to creative leaders, this vibrant community has outsized influence over the city, and nation.

The HBS Club of NY has a robust line-up of activities and sponsorship opportunities happening across the year. From signature events like The CEO Series to timely, topical programs like the Recover + Rebuild Initiative and Racial Equity Task Force, let's partner to determine the right fit to meet your goals.

We value our sponsorship of the HBS Club of NY for 3 reasons. First, we're supporting meaningful contributions to the City and community; second, increased recognition; and third, we've built relationships with an impressive slate of speakers. Vici has been a sponsor for 3 years and plans to continue.
